**Step 1: Activate your course reserves**
Activate your course reserves through the library website at library.brown.edu/reserves. It may take up to 24 hours for your request to be processed. Online readings and film requests will take 7-14 business days to be completed.

**Step 2: Enable links in Canvas to E-Reserves**
Once your E-Reserves are available, you can enable a direct link to your E-Reserves in Canvas.

1. **Log in** to Canvas at canvas.brown.edu.
2. Select your course in the Global Navigation menu on the left.
3. Click **Settings** in the Course Navigation menu.
4. Click the **Navigation** tab at the top of the Settings page.
5. Click and drag E-Reserves from the bottom section of hidden tools to the top section of visible tools. Beginning AY 15-16, you should see Media Library already present in your Course Navigation menu.
6. Click **Save**.

Students can access course readings and audio files by clicking **E-Reserves** and full feature films by clicking **Media Library**, without reentering their login information.
