

Activate LastPass Families

patricia falcon - 2022-05-03 - Comments (0) - Security

Brown has partnered with LastPass to provide *LastPass Families*, allowing you to invite up to five others to use LastPass at no cost to you.

All new and existing LastPass Enterprise accounts include the Families as a Benefit offer, which is a complimentary LastPass Families account with five (5) additional LastPass licenses.

1. To get started, log in to your LastPass Enterprise account and open your Vault. The simplest way to do this is to click on the LastPass icon in your browser icon tray, then select "**Open My Vault**" from the dropdown menu.
2. From the left navigation menu select the **Account Benefits option**, where you can activate your **Families as a Benefit** account. The following image shows the view of a LastPass Enterprise user who has yet to claim the benefit and does not have any other LastPass accounts that might have been linked to it. Click on **Activate LastPass Families for free** to continue.

FAMILIES AS A BENEFIT

Your company has partnered with LastPass to provide LastPass Families for free.*

Activate LastPass Families now and invite up to 5 others. [Learn more](#)

Activate LastPass Families for free

Families as a benefit status **Not Claimed**

Take advantage of LastPass Families for yourself and up to 5 family members. For free. Activate at any time.

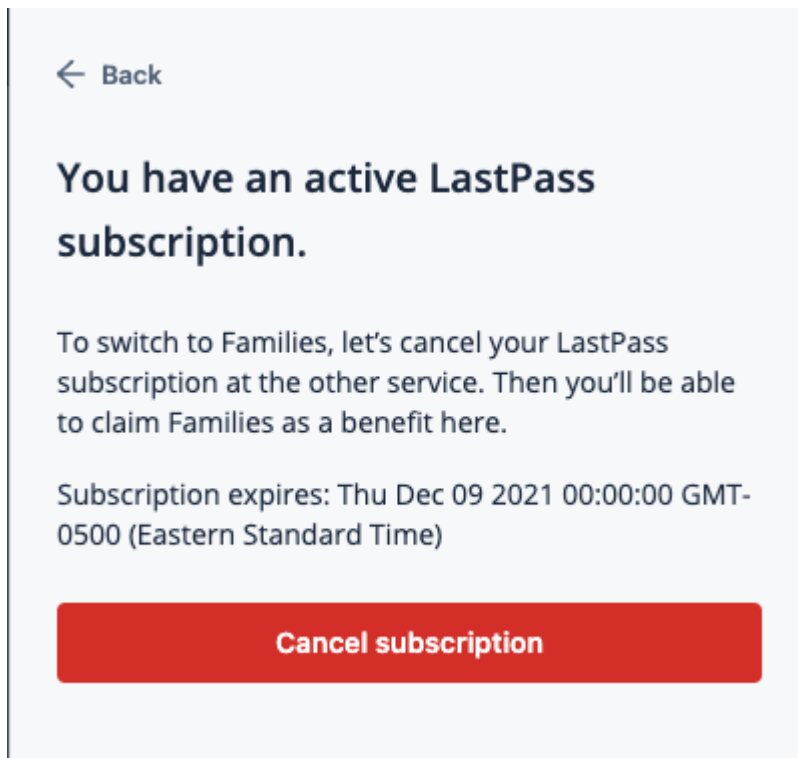

Account linking **Unlinked**

Access everything in both of your LastPass accounts with a single login. Your company admin never sees anything in your personal account, and your data goes with you if you leave.

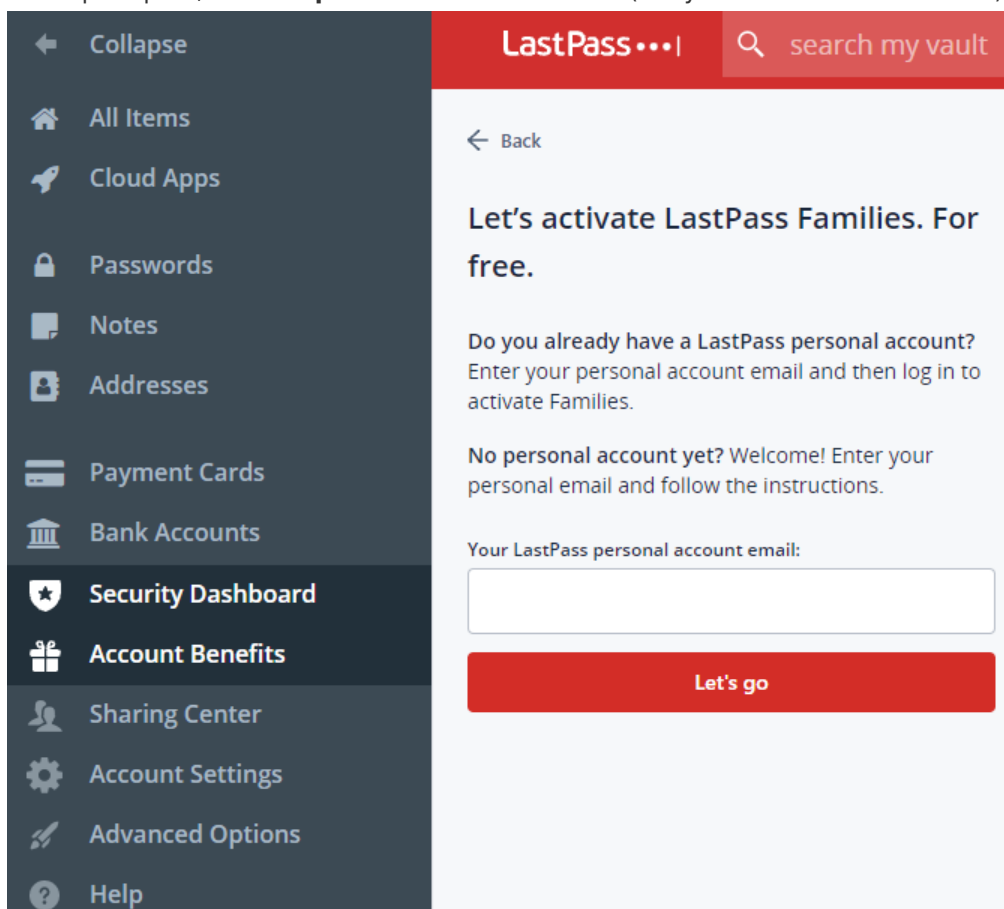

To link accounts, activate your LastPass Families account

*Note: Families personal account are not associated with or supported by your company. If you choose to accept this free perk, you will be required to accept the terms of agreement with LastPass (LogMeIn).

3. **If you already have an active LastPass subscription elsewhere**, you'll see the following message instead, offering the opportunity to **cancel your existing LastPass subscription** at another service and **claim your Brown Families as a Benefit** instead. When you do this, you will reset the active date to when you switched it. your existing personal LastPass plain will now become complimentary, and you will not be charged at the time of your next renewal.

4. When prompted, **enter a personal email account** (not your Brown Gmail account).

5. A **verification email** will be sent to your personal email account.

Look for a verification email from LastPass

Click the link in your verification email to complete the registration process and activate LastPass Families for free.
