

## Adding Test Accommodations in Canvas Quizzes

Melissa Kane - 2023-07-03 - Comments (0) - Accessibility

When you create a quiz or an exam in Canvas, you can provide your students with **test accommodations** once it has been published. You can grant students extra attempts, extra time, or you can manually unlock attempts for individual students.

### Test Accommodations in Classic Quizzes:

1. Enable and open **Quizzes** in the left Course Navigation

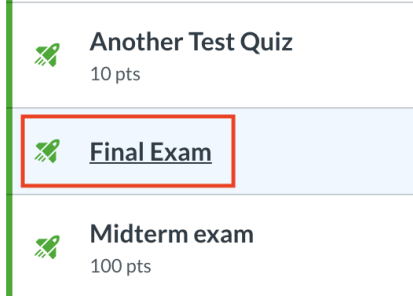

[Grades](#)

[Files](#)

[Quizzes](#)

[Discussions](#)

2. Open the quiz.

	<b>Another Test Quiz</b> 10 pts
	<b><u>Final Exam</u></b>
	<b>Midterm exam</b> 100 pts

3. Click on **Moderate This Quiz** on the top right.

[Discussions](#)

2. Open the quiz.

A screenshot of a quiz list interface. It features three quiz entries, each with a green rocket icon. The first entry is 'Another Test Quiz' with '10 pts'. The second entry, 'Final Exam', is highlighted with a light blue background and a red rectangular border. The third entry is 'Midterm exam' with '100 pts'. A vertical green bar is on the left side of the list.

3. Click **Moderate** from the top menu.

A screenshot of a top navigation menu. It contains four items: 'Build', 'Settings', 'Reports', and 'Moderate'. The 'Moderate' item is highlighted with a red rectangular border. A blue horizontal bar is positioned below the 'Build' item.

4. Use the **Search People** field to find individual students.

A screenshot of the 'Moderate Quiz' interface. It shows a title 'Moderate Quiz' and a search bar labeled 'Search People' with a red border. To the right of the search bar is a 'Filter' button.

5. Click on the **pencil icon** next to the students' name under the **Accommodations** field.

**Note:** By clicking within the Accommodations field, these settings will be applied to **all course assessments for the student**. If you wish for accommodations for **a single assessment**, select **Moderate** on the far right.
