

Adding Test Accommodations in Canvas Quizzes

Melissa Kane - 2023-07-03 - Comments (0) - Accessibility

When you create a quiz or an exam in Canvas, you can provide your students with **test accommodations** once it has been published. You can grant students extra attempts, extra time, or you can manually unlock attempts for individual students.

Test Accommodations in Classic Quizzes:

1. Enable and open **Quizzes** in the left Course Navigation

2. Open the quiz.

A screenshot of a quiz list interface. It features three quiz entries, each with a green pencil icon on the left. The first entry is 'Another Test Quiz' with '10 pts' below it. The second entry, 'Final Exam', is highlighted with a light blue background and has a red rectangular box around it. The third entry is 'Midterm exam' with '100 pts' below it. A vertical green bar is on the left side of the list.

3. Click **Moderate** from the top menu.

4. Use the **Search People** field to find individual students.

A screenshot of a search interface titled 'Moderate Quiz'. It contains a search input field with the placeholder text 'Search People' and a 'Filter' button on the right. A red rectangular box highlights the search input field.

5. Click on the **pencil icon** next to the students' name under the **Accommodations** field.

Note: By clicking within the Accommodations field, these settings will be applied to **all course assessments for the student**. If you wish for accommodations for **a single assessment**, select **Moderate** on the far right.
