### **What is BrownConnect+ (Brownconnectplus)?**

BrownConnect+, launched on September 17, 2024, is redefining how students, alumni, parents, and friends connect across the Brown community. It is a centralized platform designed to help our alumni community connect and support our students in career exploration through facilitating connections, enabling mentoring relationships, and expanding the impact of the Brown network.

BrownConnect+ is the replacement for the following technologies:

- Career exploration previously done via BrownConnect (now retired),
- Shared interest group community building previously done via LinkedIn or informally,
- Volunteer-leader communications to classes, clubs, and affinity groups which were previously done via BRAVO.

For more information, visit [Brownconnectplus.brown.edu](https://brownconnectplus.brown.edu) or email [brownconnect+@brown.edu](mailto:brownconnect+@brown.edu).

BrownConnect+ is open to all Brown Alumni (100,000+), all Brown students enrolled full-time in a degree granting program, select "Friends of Brown" who are key partners in providing internships and opportunities to our students and alumni, and Brown Staff involved in the administration of the programs supported by BrownConnect+.
