Text Instructions

1. Log in to [Canvas](#) and navigate to your course.
2. At the bottom of the Course Navigation menu, click **Settings**.
3. Click the **Navigation** tab.

The screenshot shows the Canvas Course Navigation interface. At the top, there are tabs for 'Course Details', 'Sections', 'Navigation', 'Apps', and 'Feature Options'. The 'Navigation' tab is selected and highlighted with a red circle containing the number '3'. Below the tabs, there is a list of course tools on the left and a corresponding list of items on the right. The 'Settings' icon at the bottom of the left list is highlighted with a red circle containing the number '2'. A red arrow points from the 'Settings' icon to the 'Navigation' tab.

Home	Course Details	Sections	Navigation	Apps	Feature Options
Announcements	Drag and drop items to reorder them in the course navigation.				
Assignments	Home	Announcements	Assignments	Discussions	Grades
Discussions	People	Pages	Syllabus	Outcomes	Quizzes
Grades	Modules	Conferences	Collaborations	Chat	Attendance
People	Piazza	E-Reserves	Media Library	Files	Settings

4. Reorder tools by dragging them.
5. Select which tools to show or hide for students by dragging them between the top list of items and the bottom list of items.
6. To disable or enable tools, click the **Settings** icon for that tool. The Settings icon

looks like: 

7. Click **Save**.
