How do I navigate Canvas?

The User Dashboard is the main page on Canvas that consolidates important information from all of your courses. From there, you can see the following:

- The **Dashboard** shows Course Cards, which allow you to quickly access course sites or click course activity icons to view recent course-specific Announcements, Grades, Discussions, or Files.
 - You can switch to a Recent Activity feed, which shows quick links to recent announcements, assignments, discussions, and other changes to your courses.
 - To switch between Dashboard and Recent Activity, click the toggle at the top of the screen.

- The **Courses** tab on the left side of the page shows the courses you have access to.
- The **Grades** link located on the right side of the page shows grades for all courses.
- The **Calendar** link located on the left side of the page shows events and assignments for all of your courses.
- The **Coming Up** list on the right side of the page shows upcoming assignments, assessments, and events, with links so you can read about them in further detail.
- The **Recent Feedback** list on the right side of the page displays recent feedback

from instructors and peers, including grades.

Can I access a Canvas course during shopping period?

Non-registered students can access published Canvas course materials during shopping period, which also allows students to submit assignments and discussions. To access a Canvas course site during shopping period, you must add the course to your primary cart in cab.brown.edu. At the end of shopping period, students not officially registered for the course through Banner will be removed from Canvas course sites. Read more about how to get [shopping period access](#).
