Choose a Computer

Stephanie Obodda - 2021-03-15 - Comments (0) - Apple Macintosh Computers

Recommended Configurations

Before buying a computer or printer, or to determine whether your current computer meets the minimum requirements to be supported by CIS, please review:

- [Recommended Windows configurations](#)
- [Recommended Mac configurations](#)
- [Recommended Printers](#) (faculty and staff)

Personal Purchases: Students, Faculty, and Staff

- Computers
 - **Apple:** [Apple Computers from the Brown Bookstore Technology Center](#)
 - **Dell:** [Dell Computers from the Brown Bookstore Technology Center](#) (please note that only Dell systems purchased at the Bookstore are eligible for warranty repairs at the Bookstore)
- Printers, peripherals and computer accessories: [Brown Bookstore Online E-Store](#)

Brown University Purchases: Faculty and Staff

If you are administrative staff working in an academic department, **consult with your Information Technology Support Consultant (ITSC) or Departmental Computing Coordinator (DCC)** about the solution that is best for you.

- Computers
 - **Apple:** After consulting with your departmental computing staff, computers can be ordered from the [Brown Bookstore Technology Center](#)
 - **Dell:** Dell is Brown's preferred PC vendor for strategic pricing and full support on campus. Your departmental computing staff* can create an eQuote with Dell, which can then be purchased by your department's financial coordinator in Workday. The best pricing is available on Brown's [recommended models](#).
- Printers
 - **HP:** online from [OfficeMax IT online ordering site](#).
