## Connect to MyApps on iOS and Android

Nicholas Geleney - 2024-12-13 - Comments (0) - MyApps

You can connect to the MyApps service from a web browser on any platform via <a href="https://myapps.brown.edu">https://myapps.brown.edu</a> but the experience in a mobile browser will be less than ideal. It is highly recommended to use the Windows App for a better user experience.

## iOS

- 1. Download the Windows App from the iOS app store
- Launch the Windows app, click on the "+" icon, then click "Add Work or School Account"
- 3. Enter your Brown Username in Microsoft format: <a href="mailto:username@ad.brown.edu">username@ad.brown.edu</a> (ex. icarberr@ad.brown.edu)
- 4. You will be redirected to authenticate with your Brown username and password
- 5. Once you have successfully authenticated you will see any MyApps Desktops you entitled to

## **Android**

- 1. Download the Windows App from the Google Play Store
- Launch the Windows app, click on the "+" icon, then click "Add Work or School Account"
- 3. Enter your Brown Username in Microsoft format: <a href="mailto:username@ad.brown.edu">username@ad.brown.edu</a> (ex. <a href="mailto:jcarberr@ad.brown.edu">jcarberr@ad.brown.edu</a>)
- 4. You will be redirected to authenticate with your Brown username and password
- 5. Once you have successfully authenticated you will see any MyApps Desktops you entitled to
