Shortly after shopping period: Evaluations are configurable. Within the next 6-8 weeks, the person configuring the evaluations (usually, the department manager or coordinator) can use the Course Evaluation Manager link in Banner to:
  ○ choose which form is used for the evaluation (by default, it will be the base form, which depends on the type of department)
  ○ add additional instructors or TAs to the evaluation
• The week before reading period: Evaluations are opened for students.
• Last day faculty can enter grades: Evaluations are closed for students.
• Approx. two days after grades are due: Faculty and TAs can view their evaluations.
