In the BrownU App
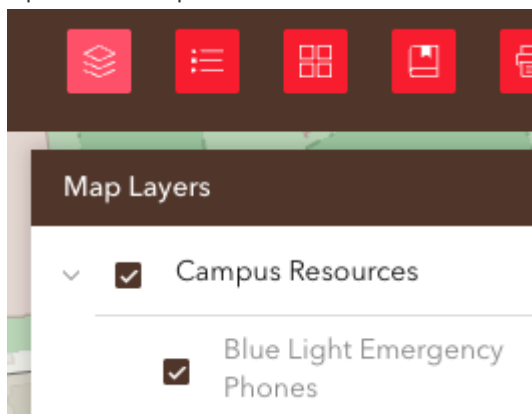

1. Download the BrownU app, if you haven't already

2. After logging in or selecting to use the app as a guest, select Map from the "hamburger" menu

3. Select Gender Inclusive Restrooms from the drop-down that appears

4. Select a building

5. Select the Gender Inclusive Restroom button to see where the restroom is located within the building

In the Online Campus Map

1. Visit the Campus Map in a web browser

2. Select the Map Layers icon on the top menu

3. Open the Campus Resources accordion

4. Select Gender Inclusive Restrooms

5. Close the Layers panel

6. Zoom into the map until you can see the restroom icon on buildings

7. Select a restroom icon on a building to see where the restroom is located within the building
