*If you are activating your Brown account, you will need to know your Brown ID number.*

---

*If you already have an ID card,* you will find it marked on the front of the card as in the image below.

*If you don't have an ID card,* here's where to find your ID number:

- **Faculty and staff:** shortly after receiving your Brown hire letter, you will receive an email from the sender NoReply@brown.edu with your ID number and instructions for activation. Don't see it? Check your spam folder, or contact Human Resources at 401-863-3175 with questions.

- **Students, faculty, and staff:** If you don't have your ID card but need your ID number, you can visit [myaccount.brown.edu](http://myaccount.brown.edu), click Manage Account on the top right and log in, then scroll to the bottom of the page to find your Brown ID number (screenshot below).

- **Brown Affiliates:** If you are a Brown affiliate without an ID card, your department will receive your ID number when your account is set up.

- **Alumni:** You do not need a Brown ID to activate your account. You can activate your account within the [Alumni & Friends site](http://alumni.brown.edu). You can contact the IT Service Center if you continue to have issues.

- **Applicants:** Applicants no longer have access to any Brown ID numbers. You do NOT
need to activate your Brown account until you have been accepted and committed to the University.* Please contact the Admissions office of the school you are applying to:

- Undergraduate Applicants: email admission@brown.edu or call 401-863-2378.
- Graduate Applicants: manage your application on ApplyWeb.
- Medical Applicants: contact medschool_admissions@brown.edu if you have not yet created an account or are having trouble getting set up. Otherwise, you can contact the IT Service Center for help with a password reset or forgotten username.

*The exception for undergraduate applicants is athletic recruits applying for financial aid much earlier than the regular application cycle. You should have received your Brown ID number in a separate email from the Financial Aid office. They can be contacted at 401-863-2721.
