Find Your Brown ID Number
Stephanie Obodda - 2021-12-07 - Comments (0) - Brown Account

*If you are [activating your Brown account](#), you will need to know your Brown ID number.*

---

*If you already have an ID card*, you will find it marked on the front of the card as in the image below.

![ID Card Example](image.png)

*If you don't have an ID card*, here's where to find your ID number:

- **Faculty and staff**: shortly after receiving your Brown hire letter, you will receive an email from the sender NoReply@brown.edu with your ID number and instructions for activation. Don't see it? Check your spam folder, or contact Human Resources at 401-863-3175 with questions.
- **Students, faculty, and staff**: If you don't have your ID card but need your ID number, you can visit [myaccount.brown.edu](http://myaccount.brown.edu), click Manage Account on the top right and log in, then scroll to the bottom of the page to find your Brown ID number (screenshot below).
- **Brown Affiliates**: If you are a Brown affiliate without an ID card, your department will receive your ID number when your account is set up.
- **Alumni**: You do not need a Brown ID to activate your account. You can activate your account within the [Alumni & Friends site](#). You can contact the IT Service Center if you continue to have issues.
- **Applicants**: Applicants no longer have access to any Brown ID numbers. You do NOT
need to activate your Brown account until you have been accepted and committed to
the University.* Please contact the Admissions office of the school you are applying
to:
  - Undergraduate Applicants: email admission@brown.edu or call 401-863-2378.
  - Graduate Applicants: manage your application on ApplyWeb.
  - Medical Applicants: contact medschool_admissions@brown.edu if you have
    not yet created an account or are having trouble getting set up. Otherwise,
    you can contact the IT Service Center for help with a password reset or
    forgotten username.

*The exception for undergraduate applicants is athletic recruits applying for financial aid
much earlier than the regular application cycle. You should have received your Brown ID
number in a separate email from the Financial Aid office. They can be contacted at
401-863-2721.
