Get Started with Digital Signage

Stephanie Obodda - 2021-06-16 - Comments (0) - Digital Signage

Don't have a sign yet? Please see our article [Request a New Digital Sign](#).

Access the System

To log in to the enterprise digital signage system to create content and administer signs, visit signs.brown.edu. To access this link, you must be on the campus network or using [VPN](#).

Learn How to Use the System

- **Brown help documentation:** See our [Digital Signage category](#) for how-to articles and videos. In particular, these three articles will give you an introduction to creating, uploading, and managing your content:
 - [Create Content for Your Digital Sign](#)
 - [Import Content to Your Digital Sign](#)
 - [Manage your Playlists and Content](#)

Best Practices and Protocol

Please review the [Protocol](#)

Please see the Best Practices document linked below for more information about creating content.
