BROWN

Get Started with Rosetta Stone

Stephanie Obodda - 2024-12-16 - Comments (0) - Rosetta Stone

The steps below are required to be completed on a computer prior to using the mobile app.

On A Computer

1. **Click** the **link below** to sign in and start using Rosetta Stone.
2.
    1. **Click** this link to sign in and start: http://rosettastone.brown.edu
    2. Additional **Alumni** info here: https://alumni-friends.brown.edu/benefits/travel-learning/rosetta-stone
3. Select "**Launch Rosetta Stone**"
4. Select "**Check system readiness**" and follow the steps
5. Select "**Launch Rosetta Stone**" on the right of the screen
6. If prompted, **allow or install** the speech installer
7. Set up your microphone
8. Select your gender
9. Select the language you would like to study
10. Select the level and click "continue"
11. Click **Start**

At this point, to use the app, you can simply exit Rosetta Stone on your computer and log in on your phone's internet browser to the portal at rosettastone.brown.edu (for current faculty/staff/students) or at alumni.brown.edu (for alumni).

For further instructions on connecting on a mobile device, please visit our Mobile Device Article: Use Rosetta Stone on a Mobile Device

A Quickstart Guide is also available from Rosetta Stone.

If you would like to provide feedback about your Rosetta Stone experience, please complete the following survey.
