How to Add a Local Address in Self-Service Banner

The screenshot displays the Brown University Self-Service Banner interface. At the top, the Brown University logo and name are visible. Below the navigation bar, the 'Personal Information' tab is selected. The 'Main Menu' section includes a welcome message and links to 'Personal Information', 'Applicant and Student', and 'Financial Aid'. The 'Personal Information' link is circled in red. Below the main menu, a browser window shows the 'Personal Information Review' page. The 'Current Addresses' section lists 'Permanent Residence' and 'Local Address'. The 'Add a New Address' dropdown menu is open, showing various address types, with 'Local Address--FUTURE' selected. The 'RELEASE:' field is visible at the bottom of the dropdown menu.
