

Hypothesis

John de Szendeffy - 2023-07-03 - Comments (0) - Learning Tools

What is Hypothesis

Hypothesis is a tool that helps students collaboratively annotate online readings.

Students can:

- select text to annotate
- add tags and post publicly or save privately
- reply to or share any annotation
- link to notes or whole pages
- annotate together in groups
- collaborate privately with others
- search notes
