AirMedia Installation Instructions

Tuesday Mueller-Harder - 2023-10-25 - Comments (0) - Installation Instructions

Windows

1. Download the Windows installation file.
2. Right-click on the downloaded .exe file and select "Run as Administrator".
3. See Connecting to an AirMedia with a Windows Laptop for connectivity instructions.

macOS

1. Download the macOS installation file.
2. Double-click the downloaded file to begin the installer.
3. See Connect to an AirMedia on a Mac Laptop for connectivity instructions.

iOS/Android

Visit our articles for Android or iOS for instructions on obtaining the Crestron AirMedia application and for connectivity information.
