# FastX Installation Instructions

Tuesday Mueller-Harder - 2023-10-25 - Comments (0) - Installation Instructions

## Windows

1. Download and run the Windows installer.
2. Accept the default options to complete the installation.

## macOS

1. Download and open the disk image for macOS.
2. Drag and drop FastX.app into the /Applications folder.

## Linux

1. Download and run the Linux installer.
2. Follow the on-screen installation instructions, selecting the default options.
3. The first time you start FastX, you will be prompted to Activate.
