

SAS Simulation Studio Installation Instructions

Tuesday Mueller-Harder - 2023-10-25 - Comments (0) - Installation Instructions

Before you begin: A current copy of SAS 9.4 must be installed on your computer.

1. Download and run the SAS Simulation Studio installer.
2. Select a language.
3. Click **Install SAS Software**.
4. Select **SAS Simulation Studio**.
5. After system check, click **Next**.
6. Click **Start** for the installation to begin.
7. Once installed, click **Finish**.
8. Launch Sim Studio. If launching Sim Studio from Windows 7, go to the Start Menu > SAS. Right click on SAS Simulation Studio and select **Run as Administrator** from the context menu.
9. When prompted, select C:\Program Files\SASHome to populate the location field.
