Brown [Gmail.com](https://gmail.com) users will start to see a new UI that Google is pushing out to all Gmail accounts. You can learn more about changes in Google's support article [here](#).

To immediately opt-in to this new UI change or roll back to the previous one*, follow these directions:

Opt in to the new view

Important: To use the new view, you must turn on Chat in Gmail and set Chat to the left-hand panel. [Learn how to turn on Chat in Gmail](#).

1. At the top right, click **Settings** .
2. Under "Quick settings," click **Try out the new Gmail view**.
3. In the new window, click **Reload**.

Opt out of the new view*

1. At the top right, click Settings .
2. Under "Quick settings," click **Go back to the original Gmail view****.
3. In the new window, click **Reload**.

*As with all other Google UI changes, it's likely that rolling this back is only temporary and you will be forced to move to the new UI eventually.

**When reverting back to the original view, Google will ask you why you're making this change. You can leave this blank.
