Learn More about Google Apps at Brown

Brown uses Google Apps for Education for email, calendaring, document sharing, and more. Though most of the features are the same as you’ll get from a “regular” gmail.com account, we have an unlimited quota for Email and Drive, and a contractual agreement with Google with a high level of privacy and security. Graduating students retain their student mail, drive, and calendar content at an alumni.brown.edu address.

Getting Started

- Learn what apps are available and how to access them
- Change your Google Apps password
- Get help from the IT Service Center

Find Help Articles by Topic

- Google Apps (about your account, how to find apps, etc.)
- Google Mail (a.k.a. Gmail, your Brown email account)
- Google Calendar
- Google Drive
- Google Groups and Course Groups
