Brown uses Google Apps for Education for email, calendaring, document sharing, and more. Though most of the features are the same as you’ll get from a “regular” gmail.com account, we have an unlimited quota for Email and Drive, and a contractual agreement with Google with a high level of privacy and security. Graduating students retain their student mail, drive, and calendar content at an alumni.brown.edu address.

Getting Started

- Learn what apps are available and how to access them
- Change your Google Apps password
- Get help from the IT Service Center

Find Help Articles by Topic

- Google Apps (about your account, how to find apps, etc.)
- Google Mail (a.k.a. Gmail, your Brown email account)
- Google Calendar
- Google Drive
- Google Groups and Course Groups
- Google Sites
- Google+
