Manage Categories Available to Your Departmental Calendar Events

Stephanie Obodda - 2019-03-21 - 0 Comments - in Brown Events Calendar (Deprecated)

Your departmental calendar will be pre-loaded with a set of categories from the master list. If you would like additional categories, please send your request to calendar@brown.edu. Please indicate if you think the category would be useful for the entire campus, or if it is just a category for your own department. You can see all the available categories.
