

Matlab Total Academic Headcount (TAH) Toolboxes

Stephanie Obodda - 2017-03-07 - Comments (0) - Installation Instructions

All toolboxes listed in the table below are part of Brown's Matlab TAH license. If you are using an operating system other than Windows, some toolboxes may not be functional.

Visit <http://www.mathworks.com/products/availability/index.html> to view the system requirements for the toolbox(es) you need.

Add Products to an Existing Installation

To add products to your existing MATLAB® installation, run the installer for your release again and follow the prompts. If you cannot find the installer or no longer have access to it, visit the [Downloads page](#) on the MathWorks® website and download the installer.

During installation:

- Specify the same installation folder that you used for the initial installation.
- Select the additional products that you want to install.
- If prompted to do so, activate the software.

Core Toolboxes	Add-on Toolboxes Licensed in 2012	Most Recent Additions to the TAH
MATLAB	Communications System Toolbox	HDL Verifier
Simulink	Image Acquisition Toolbox	Simulink Design Optimization Toolbox
Symbolic Math Toolbox	Mapping Toolbox	Embedded Coder
Bioinformatics Toolbox	MATLAB Compiler	Fuzzy Logic Toolbox
Control System Toolbox	Neural Network Toolbox	Matlab Builder NE
Curve Fitting Toolbox	Parallel Computing Toolbox	Financial Toolbox
DSP System Toolbox	Partial Differential Equation Toolbox	SimBiology Toolbox
Data Acquisition Toolbox	Simulink Control Design	Aerospace Toolbox

Image Processing Toolbox	System Identification Toolbox	Aerospace Blockset
Instrument Control Toolbox	Wavelet Toolbox	Econometrics
Optimization Toolbox	HDL Coder	SIM Power Toolbox
Signal Processing Toolbox	Fixed-Point Designer	MATLAB Report Generator
Simscape Multibody	Simulink Desktop Real-Time	Matlab Distributed Computing Server - 32 worker (not a toolbox)
Simscape	Global Optimization Toolbox	SimEvents Toolbox
Statistics Toolbox	Simulink Coder	Stateflow
	Vehicle Network Toolbox	MATLAB Coder
	Simulink Real-Time	Robust Control Toolbox
	Computer Vision System Toolbox	Simulink 3D Animation
	Database Toolbox	RF Toolbox
		Robotics System Toolbox
		SimRF
		Audio System Toolbox (not yet available in public computing labs)

To obtain your Matlab TAH Designated Computer installer, follow these [installation instructions](#).

To update your current Matlab TAH and take advantage of additional toolboxes, follow these [update instructions](#).
