Am I eligible to use Select Plus Software?

Software available via the SelectPlus program may be purchased by faculty and staff who are paid by Brown University; students are not eligible. Software purchased under the Microsoft Select Plus Program is exclusively for use on Brown University owned computers.

What software titles can I purchase under the Select Plus Program?

Most Microsoft products are available for purchase at significant discount under the Select Plus program. Examples include:

- Project
- Visio
- SMS Server
- SQL Server

How do I purchase Select Plus Software?

Faculty and Staff may contact Brown's Microsoft Agreement reseller to purchase licenses and media. Either a personal or University credit card may be used to purchase software, but all purchases must be shipped to a Brown University address.

If you have questions about Brown's Microsoft Select Plus program, email Software_Services@Brown.edu or call 863-HELP (4357).
