Managing OneDrive Files on iOS

- [Download the Microsoft OneDrive app from the iOS App Store](#) on your iOS/iPadOS device
- If prompted to sign-in, use your Brown Microsoft account: username@ad.brown.edu (e.g., jcarberr@ad.brown.edu), followed by a DUO prompt.

- After signing in you will see the contents of your OneDrive folder in the "My Files" tab

- Clicking on the ellipses (…) next to a file will give you a handful of options in the context menu
