PCTeX Information

Tuesday Mueller-Harder - 2026-02-11 - Comments (0) - Installation Instructions

As of February 28, 2026, Brown University's PCTeX site license has expired.

Please uninstall PCTeX by using the Add/Remove Programs interface found in the Control Panel.

As a replacement, Brown University provides free Overleaf Pro+ accounts for all students, faculty and staff who would like to use a collaborative, online LaTeX editor for their projects:
