Purchase Discounted Software

Kyle Oliveira - 2022-11-28 - Comments (0) - Software

Visit the Software page for a full list of Brown-offered software.

Brown-paid faculty, staff, and active students can use Adobe Creative Cloud and Microsoft Office through Brown. If you' are ineligible to download Brown-licensed software, please refer to this information for acquiring your own.

Are you eligible?

Any Brown faculty, staff, and student can use this service to purchase their own software license. You will need to have access to your active @brown.edu email address.

Where to go?

Adobe Creative Cloud

Adobe's education discount

Other software titles

Visit Brown's OnTheHub page for access to discounted software. You should register and create an account with your Brown email address to confirm eligibility.

For Students

For Faculty/Staff

Please remember to save any product codes that you acquire from the site. OnTheHub only holds them temporarily.

Please take note of license restrictions. Some software can only be purchased once.
