

Record Names with Namecoach Browser

hong chau - 2023-07-06 - Comments (0) - Namecoach

Note: You can record your name using the **Namecoach Recorder** in Canvas or using an email invitation through your browser. If you have trouble or prefer, you may have **Namecoach** call a phone number to record your name.

Canvas Namecoach Recorder

Open either a **Chrome** or **Firefox** browser (**web recorder is currently not available in **Safari**.)

If the **Namecoach Recorder** app is available in Canvas, navigate to the [Canvas](#) course site.

1. Select the **Namecoach Recorder** from the left navigation.
2. **Namecoach** allows users to input a preferred name instead of your given official name. If applicable, enter a preferred name and record instead of your given name.

For example: enter a variation of your name (i.e. nickname, abbreviated form, etc.) or your chosen name.

3. Type the pronouns that should be used by your peers and professors.
4. Choose **Web Recorder** option to record your name from a computer.
5. [Click the **Record** button.

Preferred Name (What's this?)

If you have a name that you like to use, you can enter it here

If you want to clarify the pronouns that should be used when referring to you, enter them here:

(What's this?)

Example 1: "she, her, hers"; Example 2: "they, them, theirs"; Example 3: "ze, zir, .

Please audio record the pronunciation of the full name you wish to be called by faculty, advisers, staff, graduation announcers, and fellow students.

You can record your name by having the NameCoach system call you, or by using the Web recorder

☐ Phone
☒ Web Recorder

Record your name using our web audio recorder.

0.0/10.0

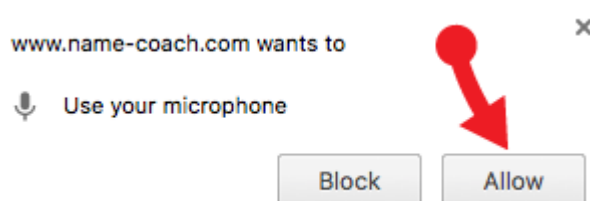

4 **Record**

The prompt under the Record button will read 'Ready', then 'Set' and finally, 'Record' - wait for the 'Record' prompt before speaking.

By using these tools, I agree to the [Terms of Service](#)

Submit and Finish

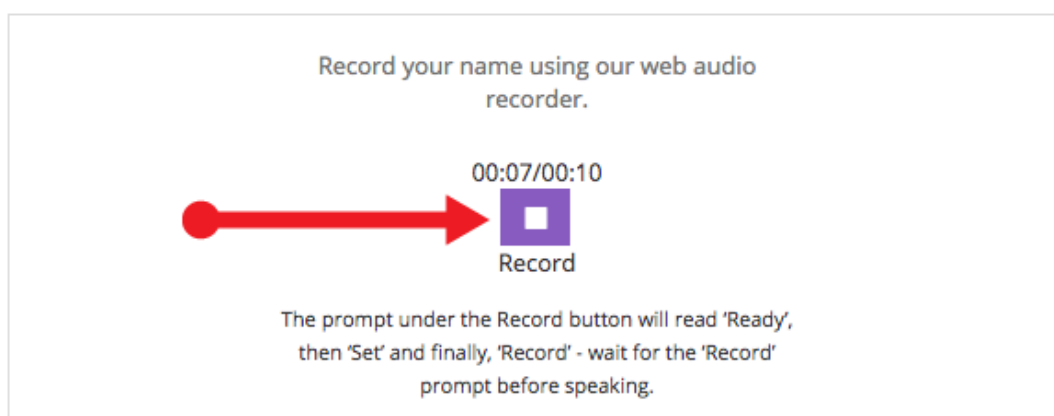

6. In your browser, allow name-coach.com access to your computer's microphone.

7. A timer will begin to alert you that **Namecoach** is recording.

8. Click the **Stop** button to finish recording.

Note: Wait for the encoding message to complete before navigating away from the page.

9. Listen to the recording, or click **Record Again** if you'd like to record a new audio file.

10. Click **Submit** and **Finish**

11. Check the separate **Namecoach Roster** tool to preview your audio recording and listen to your peers' recordings and learn about their pronouns and preferred names.

Contact [Digital Learning & Design](#) if you experience technical difficulties while using **Namecoach**.
