If you suspect a service is down, please:

Visit our [IT at Brown](#) website to see if it's already been reported.

Look at the **Alerts** column on the right of the homepage. If posted, you will see the status updated there when resolved.

If it is not reported contact the [IT Service Center](#).

During business hours, call us at (401) 863-4357 or [chat us](#).

Outside of business hours, call (401) 863-4357 and press option 0. This will route your call to an answering service who can inform us of the outage.
