If you suspect a service is down, please:

1. Check the [IT at Brown](http://example.com) website to see if it's already been reported. Look at the Alerts column on the right of the homepage.
2. Contact the [IT Service Center](http://example.com):
   
   During business hours, call us at (401) 863-4357 or [chat us](http://example.com).
   
   Outside of business hours, call (401) 863-4357 and press option 0. This will route your call to an answering service who can inform us of the outage.
