If you suspect a service is down, please:

1. Check the [IT at Brown](https://it.brown.edu) website to see if it's already been reported. Look at the Alerts column on the right of the homepage.

2. Contact the [IT Service Center](mailto:it.service.center@brown.edu):
   - During business hours, call us at (401) 863-4357 or chat us.
   - Outside of business hours, call (401) 863-4357 and press option 0. This will route your call to an answering service who can inform us of the outage.
