If you suspect a service is down, please:

*Visit our [IT at Brown](http://IT) website to see if it's already been reported.*

Look at the Alerts column on the right of the homepage. If posted, you will see the status updated there when resolved.

*If it is not reported contact the IT Service Center.*

During business hours, call us at (401) 863-4357 or [chat us](http://IT). Outside of business hours, call (401) 863-4357 and press option 0. This will route your call to an answering service who can inform us of the outage.
