Request a non-course Brown Blog

Stephanie Obodda - 2017-04-03 - Comments (0) - BrownBlogs

BrownBlogs is an online publishing platform that allows members of the Brown Community (individuals as well as official University groups, departments, and organizations) to quickly and easily communicate on the web through text, images, audio, and video. Brown Blogs runs on the Wordpress blogging platform.

Request a non-course blog for personal or group use by submitting the blog request form.
