1. Visit coursetools.brown.edu and login using your Brown username and password.

2. Find and select the course you wish to add iClickers.

3. Scroll down and click on the "iClickers" button. You will see a confirmation at the top of the page that the request has been successful and that an e-mail was sent to itg@brown.edu. Within 24 hours, you will be contacted by an instructional designer or instructional technologist for a follow-up to your request.
