

## Requesting a Github Org

Nancy Freeman - 2020-11-04 - Comments (0) - CCV Website Articles

Creating Organizations for your course or laboratory:

Creating a GitHub Organization is Free. GitHub's [Free Plan](#) provides unlimited private repositories and collaborators and should be sufficient for most users. Simply follow [Github's instructions](#) to create your organization. Organizations with complex workflows that make use of GitHub's Actions and storage, can upgrade their plan using an education discount.
