### macOS Sierra 10.12 - What Works?

New Apple computers are shipping with macOS Sierra 10.12. The IT Service Center will provide limited assistance with software and services running on macOS Sierra, but at this time, not all Brown services work consistently with this operating system.

#### Compatibility Table

The table below describes software and services that were tested on macOS Sierra 10.12:

Please note that all functions of applications may not have been tested. Testing of operating system updates are ongoing and this page is continually updated. Please report any functionality issues to the IT Service Center.

Installing some software may require gatekeeper to be disabled. See Apple's instructions for disabling gatekeeper: <http://support.apple.com/kb/HT5290>
