

South Street Landing Conference Rooms

Stephanie Obodda - 2025-02-19 - Comments (0) - Campus Spaces

****Please note: South Street Landing conference rooms -- with the exception of the Multi-Purpose Room -- are for the exclusive use of departments housed within the building. Faculty and staff in departments based elsewhere should use their own facilities for meetings.**

South Street Landing offers a variety meeting spaces including:

- [Multipurpose Space](#) (MPS)
- [Large Conference Rooms](#)
- [Standard Conference Rooms](#)
- [Small Meeting Rooms](#)
- [Huddle Rooms](#)
- [Privacy Rooms](#) which **may not be booked** and are intended for just-in-time use

Staff based in SSL can reserve conference and meeting rooms in Google Calendar. Type SSL into the Rooms search box when creating your event to see the rooms pop up. For more detailed instructions on reserving rooms in Google Calendar, see the article [Book a Resource \(Conference Room\)](#).

Zoom Capability

- The Multipurpose Space has integrated mics, speakers, screen, PC, and iPad to work with Zoom, and can also be used with laptops.
- Large Conference Rooms have webcams mounted to the wall flat panel display, which can be used for Zoom with a user-supplied laptop.
- All other rooms with screens can be used with Zoom with a user-supplied laptop.
Privacy Rooms do not have screens.
