Submit a Help Ticket to the IT Service Center

You can submit tickets to the IT Service Center by visiting the ITHelp website and clicking on the Submit a Request button.

- CIS IT Help Site: [https://ithelp.brown.edu/](https://ithelp.brown.edu/)
- Direct Link to Request Submission: [https://ithelp.brown.edu/new-ticket](https://ithelp.brown.edu/new-ticket)

1. Go to [https://ithelp.brown.edu](https://ithelp.brown.edu)
2. Click on Submit a Request

![Submit a Request]

3. Click on Log In if you're Brown University faculty, staff, or student.
4. Provide a ticket subject. This is a brief one-sentence line to sum up your problem.
   You must enter 5 or more characters.

   Request Subject *

5. Choose a Request Type. For a standard help request to CIS, choose IT Help Request.
   All request types are elaborated below. Additional fields may appear and may be required in other request types.

   Select a request type *

6. Your name and default email address should already be pre-populated if you've signed in. If you're not affiliated with the university, provide this information.
7. Provide as much detail in the additional details field.
8. Upload a screenshot or attachment if needed.
9. Click Submit
