

## Tableau Server Projects

Wendi Lewis - 2025-06-12 - Comments (0) - Tableau

The projects below contain data visualizations and dashboards published to [Tableau Server](#). Project content is shared securely with specific people or groups.

To learn more or request access to a project, contact the administrator(s) below.

Project	Description	Administrator(s)
Advance RI-CTR	The dashboards are used to track activities and KPI's related to Advance RI-CTR.	<a href="#">Nadia Tsado</a>
Advancement	Dashboards and content that supports the work of Brown Advancement.	<a href="#">Mamdouh Elanani</a> - <a href="#">Walter Farber</a> <a href="#">Anthony Souffrant</a>
AMS Wellness Survey	Dashboards to show the results of the Alpert Medical School (AMS) Wellness Survey	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Academic Impact Reports	The BioMed Academic Impact Report is an aggregation of objective metrics of individual faculty research, scholarship and teaching activity. Reports have been produced for faculty in the six Division departments with tenured/tenure track appointments to the Division.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Benchmarking	Dashboards to compare tenure/tenured track faculty compensation against internal and external benchmarks. External compensation benchmarks used include AAU and AAMC.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed and Hospital Affiliates	Dashboards to compare Biomed and Hospital Affiliate (includes Sponsored Research Expenses and NIH Award data)	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Departmental Reporting	Dashboards used by Biomed departments. The type of information provided includes faculty counts, lapsed faculty appointments, named professorships, and FAR.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Facilities	Dashboards for the Office of Facilities Planning & Operations. Includes Space, IDD, and additional metrics for the Division.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>

Biomed Faculty Administration	Dashboards for Office of Biomed Faculty Administration, Office of Women in Medicine and Science, and Office of Diversity and Multicultural Affairs. Biology, Medical and Clinical faculty counts and demographics, relevant industry data, compensation.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">Jordan Mishkin</a> <a href="#">John Umbel</a>
Biomed Faculty Analysis	Dashboards focused on campus-based Biomed faculty (demographics, sponsored research, teaching, scholarly activity, compensation).	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Finance and Planning	Dashboards for Office of Biomed Finance and Planning. Financial data visualizations: budget, actuals, compensation, commitments.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Graduate Programs	Dashboards for the Office of Graduate and Postdoctoral Studies.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Human Resources	Dashboards for the office of Biomed Human Resources. Includes staff and faculty counts, FTEs by BioMed Department, and additional metrics by department.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Lecturers	Dashboards focused on Biomed Lecturer metrics (teaching, advising, sponsored research).	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Research Administration	Dashboards for Office of Biomed Research Administration. Sponsored research visualizations: proposals, awards, expenditures. Analysis by department, sector, sponsor, etc. Grant forecasting output.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Sponsored Projects Activity	Dashboards for Biomed Department Managers and Chairs. Sponsored research visualizations by department: proposals, awards, expenditures.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Biomed Teaching Data	Dashboards to display Biomed teaching activity using data from FIS (Workday Academics), Banner, and Medical School database.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Brown Transportation and Card Services	Dashboards for the Brown Transportation and Card Services department.	<a href="#">Mike Leitao</a> <a href="#">Carleia Lighty</a>

Brown University Sports Camps	<p>This project contains visualizations for Brown University Summer Sports Camps. The Department of Athletics, in conjunction with the Division of Pre-College and Undergraduate Programs, offers summer sports camps for young athletes.</p> <p>These visualizations help keep varsity coaches, their staff, current Brown athletes, and Pre-College staff informed with the current enrollment and status of the young athletes in the various sports.</p>	<a href="#">Sam Sumeracki</a>
Brown-RISD Institutional Research	Visualizations pertaining to joint efforts in institutional research between Brown and RISD.	<a href="#">Karen Baptist</a> <a href="#">Mary Heather Smith</a>
Campus and Space Summary Reports	Dashboards focused on campus property summaries and others with finer detailed space information.	<a href="#">Karen Zaharee</a> <a href="#">Gregory Pereira</a> <a href="#">Stephanie Simon</a> <a href="#">Colin Johnson</a>
Committee on Academic Standing	Content developed by the Business Intelligence Team for the Committee on Academic Standing.	<a href="#">Maitrayee Bhattacharyya</a>
Data Cookbook	Dashboards for tracking the creation and approval of definitions in the Data Cookbook. Usage statistics are also provided.	<a href="#">Mary Heather Smith</a>
Digital Education Analytics	Content related to the use of academic technology.	<a href="#">Catherine Zabriskie</a>
Division of Campus Life	Dashboards and reports for units in the Division of Campus Life.	<a href="#">Colin Donihue</a>
DPS Deskpro Requests	Deskpro dashboards for the DPS. This is a sub folder within the IT Service Center project.	<a href="#">Daniel Lopez</a>
Endpoint Engineering	Data visualizations for the OIT Endpoint Engineering team.	<a href="#">Chris Grossi</a>
Facilities Management Administration	Work order management trends, including preventive and reactive maintenance.	<a href="#">Colin Johnson</a>
Faculty Activity & Metrics	Dashboards produced by Office of Institutional Research and the faculty data team for purposes of tracking faculty metrics.	<a href="#">Emily Hsieh</a> <a href="#">Karen Baptist</a> <a href="#">Maegan Hawley</a>
Faculty Affairs	Visualizations created by the Office of the Dean of the Faculty to share faculty data.	<a href="#">Maegan Hawley</a> <a href="#">Usamah Suhrawardy</a>
Faculty Personnel	Visuals of Faculty Personnel Workday Business processes from 4/1/23-8/31/24.	<a href="#">Ed Goll</a>

Graduate School Administration	Visualizations for Graduate School staff.	<a href="#">Ethan Bernstein</a> <a href="#">Mary Heather Smith</a>
Graduate Student Information	Information on Graduate Students from various sources.	<a href="#">Ethan Bernstein</a> <a href="#">Mary Heather Smith</a>
Hassenfeld-Kids Count	Dashboards for collaborations with RI Kids Count.	<a href="#">Lauren Schlichting</a>
IT Service Center	Deskpro request dashboards	<a href="#">Don Rogers</a>
Library Brown Card Transactions	Visualizations of C-CURE card transactions for Library card readers.	<a href="#">Wendi Lewis</a>
Medicare Coding Intensity	The medicare coding intensity dashboard that empowers policymakers with comprehensive metrics to quantify the mechanisms by which MA plans use risk scores and coding differentials to receive additional payments.	<a href="#">Jay Shroff</a>
Office of Institutional Equity & Diversity	For content shared within the Office of Institutional Equity & Diversity.	<a href="#">Sarah Stetson</a>
Office of Institutional Research - Provost Dashboards	Dashboards created by the Office of Institutional Research for the Provost.	<a href="#">Karen Baptist</a> <a href="#">Mary Heather Smith</a>
Office of Institutional Research Shared	Content created by the Office of Institutional Research shared with specific users.	<a href="#">Karen Baptist</a> <a href="#">Mary Heather Smith</a>
Office of Sustainability	Content created by the Office of Sustainability for specific users. Authorized users are defined at the workbook level, and vary by workbook.	<a href="#">Derek Wietsma</a>
OIT Database Services	Dashboards and content that supports the work of OIT Database Services.	<a href="#">Christopher Gordon</a>
Pre-College and Summer Undergraduate Programs	Dashboards and reports for the <a href="#">Division of Pre-College and Undergraduate Programs</a> .	<a href="#">Sam Sumeracki</a>
School of Professional Studies	Dashboards and reports for the Division of Master's and Professional Studies, including master's programs, executive master's programs, and non-degree programs.	<a href="#">Nathan Rush</a>

School of Public Health Benchmarking	Dashboards to compare tenure/tenured track faculty compensation against internal and external benchmarks.	<a href="#">Roland Hall</a> <a href="#">Rebecca Martish</a> <a href="#">John Umbel</a>
Sponsored Projects Activity	Sponsored Project information relating to proposal, awards and expenditures.	<a href="#">Kerri Evans</a> <a href="#">Martha Hagopian</a> <a href="#">Andrea Mucci</a>
State & Territory Alliance for Testing (STAT)	Dashboards to track attendance trends for K-12 and COVID Response and Recovery action networks.	<a href="#">Ashley Hill</a>
Student Accessibility Services	Data visualizations for Student Accessibility Services staff.	<a href="#">Desirae Mix</a>
Study Abroad / Global Programs	Visualizations for Study Abroad enrollment in particular countries and in specific sites around the world.	<a href="#">Adeline Wong</a>
Task Force on Doctoral Education 2021-2022	Dashboards for the Task Force on Doctoral Education.	<a href="#">Mary Heather Smith</a>
The College	Dashboards and content that supports the work of The College of Brown.	<a href="#">Avi Brach-Neufeld</a>
TLA: Institutional Data Reports	This project will create visualizations for 47 different TLA consortium members. The Brown University data will be utilized for planning, programming, as well and grant (recruitment) reporting for Brown researchers.	<a href="#">Gina Astorini</a>
Undergraduate Admission	Visualizations for The Office of College Admission.	<a href="#">Allison McMaster</a>
