

Try Zoom Video and Web Conferencing Service

Stephanie Obodda - 2021-01-04 - 0 Comments - in Desktop Computing and Printing

Brown has standardized on Zoom and Zoom-connected hardware for videoconferencing. Try Zoom for prescheduled meetings or quick conversations.

Zoom is great for:

- Lead a more formal presentation session
- Allow attendees to connect without having to create accounts or do a complicated installation
- Do extensive, detailed, full-screen screen sharing
- Record your session
