Two Google Accounts
Kyle A. Oliveira - 2019-05-12 - 0 Comments - in Email

**Google asking you to choose an account when signing in?**
When signing into Google, you may get the message below where it asks you to sign into one of two accounts:

![Google account selection](image)

As the picture states, you need to select the "Organizational" account. If you continue to receive this message or you have any additional issues or questions, please create a ticket so that we can review your issue.
