You can access your Canvas course content from an Android phone, iPhone, or iPad.

To access your Canvas courses:

1. Install the Canvas Teacher app from Google Play store for Android or iTunes store for iPhones.
2. Open the Canvas app.
3. When prompted for your school name enter canvas.brown.edu. The app will ask for Brown University authentication.
4. Log in with your Brown username and password. The app will request access to your account.
5. You will see a list of your Canvas courses.

Welcome!
Add a few of your favorite courses to make this place your home.

Your Canvas app allows you to:

- Grade - browse submissions and provide feedback to students with the mobile
SpeedGrader
- Communicate - send announcements and messages
- Make Updates - change due dates, publish assignments and update course content
