If You are on Campus

The IT Service Center can provide either for you to use over winter break:

- A keychain-sized physical token with a button you press to complete Duo authentication
- A loaner mobile phone

The IT Service Center is located at Page Robinson hall, Room 510. Hours of operation are listed [on our website](#).

If You are off Campus

We will work with you to log in and/or set up an alternate method of verification. Call the IT Service Center at [\(401\) 863-4357](tel:4018634357).
