## Vendor Accounts

Kyle Oliveira - 2026-02-10 - Comments (0) - Guest Accounts

When a vendor requires access to protected software or services at Brown, a Brown staffer can request that access by submitting the form linked below.

[Vendor Access Request form](#)

After reviewing your responses, the CAP team will work with the technical teams to get the vendor account provisioned on the necessary servers. This takes 3-5 business days - please plan accordingly.

Please direct any questions to [CAP@brown.edu](mailto:CAP@brown.edu).
