When planning a meeting, an even easier way to see availability is to click the Find a Time tab on the event editing page. This will show you the schedules of all meeting guests.

A screenshot of the Google Calendar event creation interface. At the top is a text input field containing "Untitled event". Below it are three input fields for date and time: "7/1/2014", "9:30am", and "10:30am", with a "to" label between the second and third. Underneath are two checkboxes: "All day" and "Repeat...". At the bottom are two tabs: "Event details" and "Find a time". A red arrow points to the "Find a time" tab.
