If you are an instructor or TA (teaching assistant) for a course, you can view student evaluations by following these instructions. Evaluations will be available approximately two days after grades are due for the semester.

Access Your Evaluations

1. Visit selfservice.brown.edu and log in with your Brown username and password.
2. Click the Course Evaluations Dashboard link.
3. Click Evaluation Results.
4. Select your term, department, and course. You will also be able to choose whether you want to view a summary or detail. The summary shows averages for multiple choice questions and allows you to view lists of open-ended responses, while the detail view allows you to page through student responses one at a time.

Sections of the Evaluation

Course evaluations have four parts. The following table shows which parts you are able to see, based on your role in the course.
