Watch Philo (IPTV) on a Computer
Stephanie Obodda - 2016-08-25 - 0 Comments - in Philo

1. Connect to the wireless network called Brown. *Note: VPN will not give you access to Philo, you must be on campus.*

2. Visit [tv.brown.edu](http://tv.brown.edu)

3. Click the “Log In with Brown University Login” button on the top right and enter your Brown username and password.

4. You're in! Click the Play button on a channel to start watching.
