Zoom Rooms supported by Media Services

Kyle Nicholson - 2025-01-28 - Comments (0) - Media Services

Zoom Rooms allows for the ability to join a Zoom meeting utilizing the installed equipment in the space with out the need for any additional equipment. Rooms are outfitted with Mac Mini computers dedicated to Zoom , along with a Crestron Controller. This allows for audio, video, and PowerPoint, or other computer program display outputs to be shared through the Zoom application.

- Request an appointment for an orientation or ask any information about our classrooms by emailing media_services@brown.edu.
